This experience is designed primarily for schooling of horses and riders over a mix of stadium and cross country jumps. There will be a mix of jump heights and types; some will be small logs at 12" up to few novice level jumps. There are coops, banks, fly, tables, logs, hazard, brick wall, crazy panels, brush, many skinnies so technical jumping a must. Each jump will be given a point value the winner will jump the most points in 5 minutes on course.

It works like this: Arrival and check in starts at 0830, maps given and course walking allowed, jumps will be marked with points; some jumps directional, red on right. At 1000 the gates to the jumping areas will open, riders will have up to two hours to school and plan their course. Each jump can be jumped twice for points, third time no penalty but no points, refusals do not count. Horse or rider fall results in elimination. At noon the first horse will be given their 5 minutes, points added, next horse on course, and so on. Should go quickly but we will mail ribbon if necessary.

ENTERIES: Each round \$35. A horse may be entered in two rounds for second 5 min for additional \$20 with the same or different rider.
