

**Aspen Ridge Stables presents Give Riding a Try  
May 2016 ~ Date TBA**

Aspen Ridge Stables, 1730 Hegberg Road, Duluth has decided to be like the Brits! In England the stables are aware fewer adults are riding, in an effort to bring them back they open their stall doors once a year for a free lesson. Aspen Ridge Stables, [aspenstables.com](http://aspenstables.com), will open our doors to adults over 26 years old who have never been in a lesson program. You will have a lesson on a school horse in the enclosed arena one on one. Yes you will hear about our program, but there is no other commitment. Lesson must be prearranged, and limited number of lessons are available.
