

Aspen Ridge Stables
Welcomes ~ Mr. Fred Kappler
July 15 and 16, 2016

For a Dressage Clinic ~

Mr. Kappler, a regular visitor at Aspen Ridge has agreed to do a two day dressage clinic. Fred is one of the most interesting gentlemen in the upper Midwest. He has studied classical dressage in France, Germany, and Spain. Fred was a long time student of Miss Viola Hopkins, the mother of Midwest dressage. He brings a unique perspective to training, loving all horses and being willing and able to explain movements to advanced riders, but happy teaching straightness basics to beginners. Fred's extensive tool box has something to help everyone from groundwork to riding. Mr. Kappler is a friend to both horse and rider. Come and work on your test dressage tests, please bring copies, or work on another problem spot prior opening your competition season begins. Fred and Soup Man worked on classical in hand to keep Soup fit in this long accident recovery.

Fee is 110/ hour. Limited space is available as we all want to ride with Mr. Kappler.
